Embroidered Boots

So stylish, so easy, so much fun!

Level: *Beginner*

Estimated Time: *Less than one hour*

Supplies:

Boots with a zipper
40 wt. embroidery thread
Elna bobbin thread for embroidery
Jeans or leather needle - size 90/14

Machine:

Xquisit II
or
Xquisit with optional continuous design card

Sewing:

1. Unzip a boot. Position and secure the boot in the continuous hoop.

2. Attach the hoop to the machine. Select a built-in continuous hoop design or a design on an optional card.
3. Be sure to support the heel of the boot with your hand while the machine embroiders.
4. Repeat process on other boot.

What a simple, elegant way to enhance your stylish look!
