little pleasures.

SUPPLIES & TOOLS:

- 1/2 yd Felt for body of bag
- 1/4 yd Coordinating felt for bag trim
- 2 yds Decorative ribbon
- Basic sewing supplies
- Optional – pinking shears

DIRECTIONS:

1. To create body of bag, cut two 15"x17" felt rectangles. From coordinating felt, cut two 5"x15" rectangles. Optional: use pinking shears to cut out coordinating strip.

2. Stitch decorative ribbon to coordinating felt strips as shown.

3. Measuring 3" from bottom of bag, attach decorative strip to each bag section.

4. For handle: Measure 1½" from top of each section, center and draw a 5" line. Using a wide, close-together zig-zag stitch, stitch 1/4" above, on the sides and below the drawn line. The stitching should look like an oversized buttonhole. Cut opening by carefully trimming felt from "buttonhole".

5. Cut 1½" squares from bottom corner of each bag section.

6. With right sides together, stitch sections together along side and bottom edges. Finger press seams open.

7. To form bottom: With right sides together, match side seam to bottom seam. Stitch together. Repeat for other corner. Turn bag.
